

Dear friends,
Greetings in the name of Jesus Christ.

I also want to seize this opportunity to wish you a blessed new year 2005. Once again thank you very much for all you have done to help me & my people after the flood. You have been contributed a lot to bless us. I truly appreciate that. I want to share with some information about how the funds have been used.

So far we feed about a thousand families after the flood through your money. We are building 12 houses. We help some farmers with seeds & money to pay workers. About 30 students benefit tuition. We help several families with clothing & shoes. However many families left behind because the money has arrived to the end.

Thank you so much for being a supporter for God's work in Haiti.
